

UORTC – **EMERGENCY** - Procedure and LZ Location

In the event of a serious or life threatening injury – all training will stop and the lead instructor on site will be notified immediately. Lead Instructor or Instructor will call **911** . If contact cannot be made with a telephone call, Lead Instructor will use the Delorme "InReach" Satellite communicator.

Once communication has been established with local Emergency Medical Services-EMS will make the decision, based on the severity of the injuries, if ground transportation or air evacuation is to be used.

****Remember – do not move injured person, unless absolutely necessary.**

Instructor will help lead EMS to injured person in anyway possible.

Air Evacuation (Helicopter) Landing Zone (LZ) coordinates-

Located on Center Methodist Church Road 0.7 miles from Highway 109, Montgomery County.

Latitude: 35.494340 Longitude: -80.047074

Latitude: 35° 29' 39.624" Longitude: -80° 2' 49.4658"
