

## Mid State Toyota Trek Description: 3-5 November 2016

- 2 Days of Classes & Trail Rides

Main Event Descriptions:

**Big Creek** - Dry: 4-8; Wet: 5-9 9am-4pm each day

Named after the creek that borders this 125 Acre property. The trail system includes plenty of tight technical challenges including steep hills, large rock outcroppings, plenty of off-camber side hills along with some mud. Have lunch by the old farmhouse while your guide tells the story of its original owners and the sad tale of the 1930's Chevrolet in the front yard.

**Grand Overland District** - Dry: 2-6; Wet: 3-7 9am-12pm and 1pm-4pm each day  
Enjoy the wide open spaces and feel like you wheeling in the west with scenic views of the Uwharrie River Basin with the rolling hills of the Piedmont Plateau and the Uwharrie Mountains in the background. The property features an obstacle course built specifically for training military, plenty of man-made challenges to create cross-axle spin. There are plenty of ditches and holes to challenge the driver as vehicles tires are lifted off the ground. Climb the Gold Hill trail and stop to view the old gold mine as your guide spins tales of prospecting days of past.

### - Obstacle Course Description:

3 hour instruction that includes a 'Self-Drive' while coached by an I4WDTA certified instructor. Fun for both stock and built up rigs. Even the most experienced will learn and have fun driving over moguls, break-over hills, a large elliptical off-camber, logs, rocks and ditches. Gain experience working with a spotter.

### - Vehicle Recovery Description:

3 hour instruction with an I4WDTA Certified Instructor that includes best practices for safe winching and use of the Hi-Lift Jack. Additional lessons on how to get your vehicle un-stuck.

**Give-a-ways and Raffles** for Off-Road accessories and gear -Saturday Night.  
**Dinner Saturday Night!**
